

Teeth Brushing*

Our experienced staff will brush your dogs teeth and evaluate his/her mouth. A detailed report with recommendations will be given to you at discharge along with a toothbrush and instructions for keeping your pet's mouth healthy.

\$10.00

*Please understand, this is not a dental cleaning procedure. A dental cleaning procedure requires anesthesia and must be performed by your veterinarian. The purpose of this service is preventative maintenance & evaluation combined to help improve your pet's overall oral health.

Soothing Oatmeal Treatment shampoo

shampoo that soothes dry, itchy, irritated skin. With oatmeal extract and hydrolyzed oat proteins, in a colloidal suspension, it will sooth skin irritations caused by flea bites, allergies and other irritants. Contains humectants, which help restore the skin's natural moisture balance, it is tearless, hypoallergenic and safe for dogs and cats.

\$5.00 with bath

Medicated Shampoo:

Jasmine Natural Medicated Shampoo cleans and conditions the skin and coat with gentle, natural ingredients. Melaleuca Oil and Chamomile help relieve itching and irritated skin with amazing rapidity and effectiveness. Contains Aloe, Avocado and Vitamin E to help soothe and heal the skin. Creates a soft, shiny and luxurious coat. Non-toxic and biodegradable. Contains botanical ingredients derived from flowers, fruits and plants. Safe for puppies and kittens.

\$5.00 with bath

Tear Stain Treatment: a safe and effective tear stain remover, usually takes a few treatments at weekly intervals. This mild yet concentrated, lightly foaming facial cleanser soothes and balances. It has natural exfoliating activity and is slightly hydrating. The refreshing blend of vanilla and blueberry effectively removes dirt and tear stains, and will not sting eyes. Great for all skin types and all ages of pets.

Color Treatment

Make white dogs whiter, black dogs blacker with a special shampoo and coat treatment. Gets the red out! Black on Black is an optic intensifying, high sheen color-revitalizing treatment within a shampoo. Formulated specifically for use on black coated dogs, it restores the intense black color of coats exposed to the bleaching effects. Gets the yellow out! Unlike other whitening shampoos, White on White can be used on all coat colors! This product is an optic intensifying treatment within a shampoo, removing all yellow stains with a lustrous sheen on darker colors. Contains NO bleaching agents, harsh chemicals or softening agents.
